## **NOTICE OF PUBLIC HEARING**

**When: TUESDAY, September 23, 2008- 6:15 PM**  
**Where: DSPUD Office – 53823 Sherritt Lane, Soda Springs**

The Board of Directors of the Donner Summit Public Utility District will conduct a public hearing on Tuesday, September 23, 2008, at 6:15 PM at the District Administrative Office. The purpose of the public hearing is to receive comments on a proposed application to the Placer County Local Agency Formation Commission in order for the District to exercise its latent powers to provide park service.

**WHAT:** While the District has the authority by statute to provide park service, the District has not previously provided this service so approval from Placer LAFCo is required.

**WHY:** In Placer County when development (this includes single family residences) occurs, the developer is required to pay fees known as Park Dedication Fees. The funds must be used for projects within Placer County and the area from which they were collected. Placer is divided into recreation areas and the area for the greater Donner Summit community is identified as Area 16. As of this date there is approximately \$340,000 in Area 16's Park Dedication Fee fund.

**HOW:** The District will apply by resolution to Placer LAFCo for permission to exercise its latent park powers. If successful, and once a project(s) is identified and approved by the Board of Directors of the District, an application for the Park Dedication Fee funds will be made to the Placer County Park Commission.

**WHEN:** The District intends to submit its application to Placer LAFCo in October.

Please contact the District office at 530-426-3456 for more information.
